

**PUBLIC NOTICE  
CITY OF BERNE  
PRELIMINARY ENGINEERING REPORT (PER) ADDENDUM #1**

The City of Berne has submitted to the State Revolving Loan Fund Program a LTCP Improvements PER Addendum #1. This addendum summarizes the plans for the construction of a new disk filter structure at the wastewater treatment plant and demonstrates the City's efforts to comply with the requirements of the State Revolving Loan Fund Program. The disk filter project will be advertised for bid and will be financed with funds remaining from an existing SRF loan.

Questions regarding this addendum should be directed to the City's engineering consultant, Ben Adams at (260)-494-3223 or to City Hall located at 158 W. Franklin Street, Berne, IN 46711 where you can contact Laurie Craig, Administrative Assistant, at (260) 589-8526 between the hours of 9:00 a.m. and 4:00 p.m.
