

**Notice of Public Hearing**  
**Wastewater System Improvements Project: Monroe, Indiana**  
**Preliminary Engineering Report (PER)**

The Town of Monroe will hold a public hearing at 5:00pm on Monday, November 20, at the Monroe Town Hall, 233 Tower Drive, Monroe, IN 46772. Monroe's engineering consultant Wessler Engineering will present the recommended project, which will include a description of the sanitary sewer rehabilitation work. The project will be funded through a Wastewater State Revolving Fund (WWSRF) loan. Copies of the required Preliminary Engineer Report (PER) are available for public viewing starting November 10 through November 29 at the Monroe Town Hall. There will be the opportunity for questions and comments from the public at this meeting. Written comments from the public will be accepted through November 29, 2017. Your participation is welcomed and encouraged. If you will require special assistance at the meeting, please contact Rachel Tague, 260-692-6215 x10. Written comments regarding this project should be sent to Rachel Tague, 233 Tower Drive, Monroe, IN 46772 prior to November 29, 2017.
